***Reissue Applications***

1. The person who signed the submission establishing ownership interest has failed to state his/her capacity to sign for the corporation or other business entity, and he/she has not been established as being authorized to act on behalf of the assignee. See MPEP § 324.

Assignee's Assent was objected to under 37 CFR 1.172(a) in paper #13. Applicant responded in paper #15 with the remarks "It is respectfully submitted that the Assent of Assignee mailed on June 1, 2000 was signed by someone having the authority to sign such document on behalf of Sony Corporation."

Applicant's response does not overcome the objection under 37 CFR 1.172(a) because the Assent itself does not state that the undersigned is a president or Vice-President or someone with authority to sign the Assent on behalf of Sony Corporation. Applicant's remarks are not sufficient to overcome the objection.

2. The declaration does not meet the requirements of 37 CFR 1.175(a)(1). Specifically, the declaration must identify at least one error being relied upon as a basis for the reissue and that it is indeed an appropriate error for reissue. Applicant states that "New claims 65 and 66 submitted with this application particularly point out subject matter which I considered my invention and round out the scope of protection to which I am entitled." Applicant's statement is generic in nature and fails to point out a specific error as a basis for reissue. See MPEP 1414.

3. Claims 1-72 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect in the declaration is set forth in the discussion above in this Office action.

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
